SUMMARY:

Computer Science undergrad with experience in full-stack web development using React, Django, and MySQL. Built and deployed real-world apps with secure auth, REST APIs, and payment logic. Seeking backend or full-stack roles where I can contribute scalable software.

TECHNICAL SKILLS:

- **Frontend:** HTML, CSS, Tailwind CSS, JAVASCRIPT, REACT JS
- **Backend:** Django, Php, Node JS
- **Databases:** MySQL, SQLite, MongoDB
- **Tools:** Apache JMeter, Selenium , Firebase
- **Programming Languages:** C, C++, Python

PROJECTS:

TaleemBoard – Full Stack Development
Tech Stack: HTML | Tailwind CSS | JavaScript | Firebase | Node.js | Vercel

- Developed a revision-focused web platform for Class 9–12 students with chapter-wise key concepts, important questions, and MCQs for Physics, Chemistry, Biology, and Computer Science.
- Integrated an AI-powered chatbot to help students instantly clarify concepts.
- Implemented a feedback system to collect user suggestions and improve content dynamically.
- Designed a responsive UI using Tailwind CSS, ensuring usability across devices.
- Deployed the project on Vercel: taleem-ai-delta.vercel.app

MindSweat – Backend Development
Tech Stack: HTML | CSS | JavaScript | Django | SQLite

- Built server-side logic in Django to process user data and content efficiently.
- Used SQLite to store and manage user data, videos, diet plans, feedback, and settings.
- Implemented Django's authentication for secure login, registration, and session management.
- Created RESTful APIs for frontend-backend communication, supporting content delivery.

EXPERIENCE:

Software Development Intern – DevBunch Pvt. Ltd. (January 2025 – March 2025)

Tech Stack: PHP | Laravel | MySQL

Developed and optimized backend APIs using Laravel, improving response times and system efficiency.Worked on MySQL database management, ensuring smooth data storage, retrieval, and security measures while collaborating with senior developers to debug and enhance existing Laravel applications and integrations.

EDUCATION:

FAST NUCES LAHORE	**BSCS**	CGPA:3.03 (current)(2022-2025*)
PUNJAB COLLEGE	**ICS**	(1005/1100) / (2021-2022)
